

STUDENT ADMISSIONS, OUTCOMES, AND OTHER DATA

Disclosure of the following information is required by the American Psychological Association's Commission on Accreditation. This information is provided in order to assist students in making informed choices about entering graduate programs in clinical psychology. The Psy.D. Program at Marywood University has been accredited since 2006. The Commission on Accreditation of the APA can be reached at 202-336-5979, Office of Program Consultation and Accreditation, 750 First Street, NE, Washington, DC 20002-4242.

Program Disclosures

As articulated in Standard I.B.2, programs may have "admission and employment policies that directly relate to affiliation or purpose" that may be faith-based or secular in nature. However, such policies and practices must be disclosed to the public. Therefore, programs are asked to respond to the following question.

| | |
|---|--|
| Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution's affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values. | <div><div></div>Yes</div> <div><div><u>X</u></div>No</div> |
| If yes, provide website link (or content from brochure) where this specific information is presented: N/A | |

*Students needed to complete internships near home due to family/health circumstances. The sites conformed to APPIC criteria.

NOTE: These data differ from those reported on the APPIC website due to site accreditation after the match. As APPIC notes, internship sites which become accredited after the match but before the students complete internships are not reflected in the APPIC match data. Per APA, these sites count as APA accredited for the students and in the above data. If you have questions about this, contact the DCT, Dr. Cannon.
