Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

The Florida School of Professional Psychology was originally accredited by the APA in 2002. The program transitioned to National Louis University in 2019 and became fully-accredited as FSPP at NLU on October 29, 2020. Students enrolled in this accredited program as of April 2019 or later - bring in transfer credit from their prior enrollment at Argosy University (per the APA teach-out approval). Thus, their degrees were completed in a much shorter time than usual. Students who were part of the Teach-Out and who graduated or withdrew prior to the initial accreditation date are not included on this table.

Students who enter the program with prior graduate studies (master's or doctoral degree), may apply for up to 30 credits hours of transfer credit. Certain courses and experiences (e.g. clinical training) are not eligible for transfer credit. The description of transfer credit policy is found here: <http://nl.smartcatalogiq.com/Current/Undergraduate-and-Graduate-Catalog/College-of-Psychology-and-Behavioral-Sciences-Graduate/College-of-Psychology-and-Behavioral-Sciences-Doctoral/Academic-Policies>
